

WHAT IS CFO?

Camps Farthest Out are Christian gatherings in various locations in the United States, Canada, and around the world through CFO International. CFO can best be characterized as a spiritual training ground. It is time apart from the turmoil of everyday life to experience the warm presence of Jesus, the love of the Father, and the guidance of the Holy Spirit. CFO is an opportunity to practice Kingdom Living with a special emphasis on the love of God and prayer. The highest art of life is a living prayer.

As our founder, Glenn Clark, explained, "The Camps Farthest Out are dedicated to discovering the wholeness of that abundant life Christ promised, which is our rightful heritage whenever we dedicate our body, mind, and soul completely to God through play, work, and worship." We invite our campers to enter the creativity and joyous opportunities for Christian spiritual expression.
